## Opening a Review and the Welcome Page

1.	From the Select Review screen, double-click the name of the review you want to open. `1000          Sample Training Review (Local Use Only)`
2.	The Welcome Page provides an overview of how to use the software and highlights any recent updates to the software. `Welcome Page for PRISM 2006`
3.	To begin entering information into your review, click the **Home** button. `🏠 Home`
4.	The Home page is the central location in the software where users can access an electronic version of the PRISM Instrument, including: - **Core Questions** - **Checklists/Observation Instruments** - **Protocols for Service Areas** - **Interview Guides** - **Resources** - **Administrative Checklists** `Home Page for PRISM 2006`
5.	Congratulations! You have completed this lesson. Please move to the "Creating Issues and Preliminary Areas of Noncompliance" Lesson. **End of Procedure.**
